He admits to having been a barber for 50 years.

But he refuses to tell us his age. Also at Tattersall's Club barbershop a shoe-shine attendant is always on duty during the same bours.

TATTERSALL'S CLUB APPOINTS

APPOINTS SECRETARY

TATTERSALL'S CLUB Committee on February 1 appointed 32-years-old Mr. Lyal Binns as secretary.

Mr. Binns was assistant-secretary to Mr. David Dawson.

In recent months he has been acting-secretary.

Below, Mr. Binns is photographed in his office on the Second Floor.

BEN FIENBERG, son of Gersh Fienberg, had his first swim in the club in February. Ben—a chemist—and his brother, Len (a doctor in London), were both lifesavers with Bondi. Strangely, they both won the 880 yards and mile running championships of their respective schools—Ben at Sydney Technical High and Len at Sydney High. Also they won their divisions of an interclub boxing tournament when they were lifesavers.

DAVID EMANUEL, now touring Britain with the Wallabies, wrote to his father, club member Cedric Emanuel, describing a match at Cardiff. David

"I am sure, no matter how long I play football, or what games I play in, I shall never have such a great thrill as I had when I ran out on the field to a crowd of 60,000 Welsh, who were singing their national songs."

OPEN LETTER TO MEMBERS

Gentlemen:

I have been given the honour to serve you as Secretary of your Club.

It is indeed a splendid opportunity for me and I can assure each of you of my utmost efforts to give satisfaction at all times.

I would like to take this opportunity to present, in brief, my attitude to Club life.

I feel that Club life for a Member should be a continuation of his home. Above all, the Members should have the comfort associated with such home, and while this position exists he and his friends will continue to use and enjoy the many facilities that this Club has to offer.

Again, the Member has the right to expect everything to be in order and attractive, with no infringement on his privacy, well equipped facilities, finest foods and service, congeniality and good management.

This position can be brought about by the management, and I feel sure that by augmenting the policy set by the Committee—a clearly defined policy, comprising House Rules and a high standard of Member and employee relationship—the Club should function to the best advantage of all concerned.

The Member should feel free to call on the Club's Executive officers and senior staff at any time, and they in turn will be only too pleased to discuss any matter with him, hear his suggestions and constructive criticism and in every way possible ensure that the staff co-operate to the best of their ability.

Finally, I feel that with the help of the Committee and members, and co-operation of the staff, a high standard of service can be rendered to the Club and so further the feeling of pride a Member can have in belonging to the Club that commands respect and admiration—Tattersall's Club.

LYAL BINNS, Secretary.

Club Salutes Queen Mother

TATTERSALL'S Club greets the Queen Mother for herself and for the tradition of the British Fellowship—call it which you will, Empire or Commonwealth—of which in her exalted station she is a personal symbol, as well as an inspiration in her relationship without caste to all of the people.

Tradition is a term that carries an especial significance for Tattersall's Club; loyalty, too. We will salute in May the tradition wrought from a century's establishment as a club which has brought in the sporting realm service not surpassed anywhere.

As to loyalty: We are loyal one to the other, subscribers to the ethical code; and so, as the Bard put it, true to all men

of worth, to all causes worthwhile.

BERNBOROUGH GREAT CARRINGTON WINNER

By C. J. Graves

NO better performer than the mighty Bernborough ever won Tattersall's Club's Carrington Stakes, run over six furlongs at Randwick every December.

But many other great horses have contrived to make it a feature-event in the Australian racing calendar.

Bernborough's success in 1946 with 9.6 was only the second win in a sequence of 15 which he completed before he failed in the Caulfield Cup.

The best handicap-wins in Bernborough's phenomenal sequence were the Doomben double.

He carried 10.5 in the Newmarket and 10.11 in the Cup.

The 1925 Carrington Stakes was a stepping-stone in another fine sequence of

Led All Way

That year it was won by Valicare, with only 7.4. It was the third in a run of wins which she carried on to seven, a fine achievement for a three-year-old filly.

The last three in Valicare's sequence were indeed outstanding.

In the Rawson Stakes—weight-for-age over nine furlongs—she defeated Melbourne Cup winner, Windbag.

Next start she led all the way with 8.9—or 3 lb. over weight-for-age—to win the 1926 Doncaster.

Finally she defeated probably the best mile field ever seen in the weight-for-age All Aged Stakes.

Behind her were Top Gallant, The Night Patrol, Metellus and Fuji San—

all winners of outstanding "name" races.

The 1917 winner of the Carrington,
Colugo, was a good sprinter who carried
9.6, but his real fame rested on a freak
record as a stallion.

Set Record

He sired Gwillian C., winner of the 1930 Sydney Cup, who, leading all the way, ran the two miles in record time.

Greenline holds the record weightperformance in the Carrington.

He scored with 10.5 on his back, and was ridden by Jim Pike. This was the prelude to success in the Flemington Newmarket three months later with 10.2—on the slow side of the course.

Pendant, Carrington winner in 1902-3, also went on to Newmarket success in 1906—as an aged mare with 9.7 up.

Three good modern winners of the Carrington were Native Son in 1946 with 8.8; Karendi in 1954 with the same weight, and Lindbergh in 1955 with 8.9.

Native Son had 15 wins, including 11 at Randwick.

Karendi followed his Carrington with a Doncaster three months later.

Lindbergh won all the big two-year-old classics, including the Breeders' Plate and Sires' Produce Stakes.

But, with his customary transforming skill, trainer Harry Darwon turned this five-furlong winner into a stayer and won our James Barnes Plate at Randwick over 10 furlongs, besides other staying events at Randwick and Canterbury.

QUEEN ANNE BOOSTED PRIZES

Queen Anne introduced the idea of racing horses for money or sweepstakes.

During her reign (1702-1714), horse racing became extremely popular in England.

She offered a valuable trophy for the winner of the Doncaster race, and required each owner to put up a fee of 10 guineas, with the winner to take all.

BOWLS CLUB RESUMES

THE Bowling Section began the New Year at Kensington on January 16.

It was a pairs event.

On January 23, Trophy-Triples day at Double Bay — thirty-six players turned up, and trophy-winners were John Fuller, A. Ward and Dick Relton.

Last month Tattersall's entertained Newport for luncheon in appreciation of the many courtesies extended to us by the members of that happy and beautiful seaside club.

The clubhouse has been extended and remodelled under the guidance of their efficient and popular president, Harry Hutcherson, and is a splendid example of comfort and good taste.

The result was in doubt up to the last end, when Newport needed a four to win the match.

They were kept down to a three by Jack O'Neill, with the result a tie.

The cards were interesting, because, of the six rinks, only two were won by Tattersall's.

Scores: E. Thorn, R. Bartley, A. Kippax, S. Owen (Tattersall's) 23 v. D. Kemp, J. Armstrong, R. Cameron, A. Turner (Newport) 25.

J. Shaffran, L. Williams, F. Geddes, C. Davis (Tatts) 18 v. C. McClallan, N. Marshall, B. Louden, E. Frost (Newport) 26

N. Barrell, B. Levey, L. Dwyer, J. O'Neill (Tatts) 17 v. R. Lyons, A. Davidson, G. Childs, J. Woodward (Newport)

M. Watson, F. Vockler, S. Schwartz, K. Ranger (Tatts) 33 v. J. Tennyson, R. Turner, J. Payne, R. Watts (Newport) 17. J. Keogh, Mel Watson, G. Booth, H. Hill (Tatts) 35 v. A. Jenkins, K. Higgins, H. Hutcherson, B. Hyam (Newport) 15.

Hill (Tatts) 35 v. A. Jenkins, K. Higgins, H. Hutcherson, B. Hyam (Newport) 15.
Total: Tattersall's 147, Newport 147.
In February we had a big roll-up at Double Bay, 44 players taking part.

In the Victorian Masters' tournament, held at the Richmond Union Club, Harold Hill was beaten in the final on February

This is the third occasion that Harold has been the runner-up.

It was no disgrace to be beaten in the final by no other than Glynn Bosisto, the Australian champion, who has won his way to the Empire Games to be held in Wales this year.

Although beaten 31-9, Harold held shots on numerous ends only to be run off, drawn off and beaten by superlative howls

Harold was tipped as the likely winner, but when level at 7 all, he trailed the jack against himself to lose a four.

With Bosisto in charge of the mat, and playing short ends on a very fast green, Harold never got going again, and the scores were not a true indication of the game.

Dominoes

IN conjunction with the Centenary Celebrations, Tattersall's Club Committee has given approval for a dominoe tournament to be held.

Ted Forrest and Fred Empson have been asked to conduct a championship pairs contest, also a handicap pairs event.

The championship pairs is for players who decide their own pairing, while the handicap is for pairs to be drawn out of the hat.

There will be an entry-notice posted on the board on the second floor, and players wishing to participate are asked to nominate on same.

Valuable prizes will be given for both games, and the organisers hope for a big entry.

Conditions as to how and when the events will be held will be notified both on the boards on the second floor, and in this journal.

ORIGIN OF TOTE

Tote betting was first popularised in the United States by Colonel Matt Winn, head of the Churchill Downs racing establishment in Kentucky.

He introduced machine betting at the Downs, which is the home of the Kentucky Derby, in 1908.

HEARD AROUND THE CLUB

AT a recent social gathering, Fred Radford, managing director of James Patrick & Co., recalled to F. E. Jones (brother-in-law of Sydney Snow) years dating back to 1911 when they were associated with G. S. Yuill & Co., shipping agents. A lot of Bridge has run over the water since then.

W. W. HILL, who played for New South Wales, talked at Randwick races with Bill Bray, whose club was Toxteth (Glebe). Ultimately, Bill Hill blew the final whistle, saying: "We'd better remember that this is a race meeting, not a Rugby Union game."

CROPPED up in conversation at Randwick races, the name of a worthy sportsman, now immobilised physically, but still alert in mind: Clem Withycombe, formerly owner of Broad Arrow (winner of the Sydney Cup) and Freckles (recordbreaking sprinter). Clem has a number of regular visitors among veteran club members.

L. H. STEGER has returned from overseas, and reports on the very favourable treatment he received from our affiliated clubs.

RON JOHNSON, who says he can hardly dog-paddle, was beaten a touch in a heat of the Oceanic Cup, held at his home-town, Parkes. Ron last year won this event, which is swum over

50 metres. They reduced his handicap by four seconds this year, and it made all the difference. Some of the Swimming Club boys want Ron to join them "upstairs." He claims he's not good enough. Do you think he's foxing?

JOHN DANIELL IMPROVES

GREATLY improved John Daniell, in his first season, scored the latest monthly point score trophy in fine style with a tally only four points away from the possible.

It was a great performance, brought about by improvement in starting, turning

and pace.

Graham Cole was the runner-up, three points away, and in the last race of the series he realised his ambition to break 20, with a fine 19.8 sec. dash to win a final.

But the swimmer who has come to the fore in recent months is Ken Glass, who was third in Daniell's point-score and leads in the current series by one point

from Stu. Murray.

In addition, Ken has raced up the season's point-score so fast that from being in sixth place a month ago, 19 points astern of Harold Herman, he now is only three points behind in second place, with Arthur Alsop five and a half points further away and Stu. Murray, Keith Longworth and Jim Comans following in that order.

As a matter of fact, the battle for the "Native Son" trophy is at an interesting stage, there being 17 swimmers within 25 points and there's a long way to go before the end of the season.

Biggest improvement of the season has been shown by Max Burnham, who cut four seconds off his time in a couple of races. Max has learned quite a few points on starting and turning and he will go on improving.

Good form was also shown by Cliff Shaffran, who won successive races and was docked a second of his handicap for a nice 21.4 sec. swim. Cliff was a N.S.W. junior diving champion.

Glad to see Clive Hoole back for a few days from the Gold Coast, where he resides these days, looking fit and well. A bit collar-proud and not used to shoes, he says.

It was a great month for the handicapper, who "caught" quite a few of the boys for a second or so, included in the list being Trev. Barrell, Felix Schmelitschek, Max Burnham, Harry Bate, Leigh Bowes, Graham Cole and Cliff Shaffran.

Best times of recent weeks were:—19.8 sec. by Carl Phillips and Graham Cole, 21 by Leigh Bowes, 21.4 by Cliff Shaffran, and 21.5 by Arthur Alsop.

Starters in the last four events numbered 34, 36, 33 and 28.

Centenary Celebrations

The Committee of Tattersall's Club has arranged with the Swimming Club to hold a special competition in connection with the Club's Centenary Celebrations and has kindly presented valuable trophies for the winners.

It has been decided that the Centenary Competition will be a series of eight Teams' Races open to all members on a point score basis, and this, owing to the popularity of Teams' Races in the Pool, should prove most interesting.

Should prove most interesting.

Commencing on Tuesday, 22nd April, these races will be held on each Tuesday and Thursday until Thursday, 15th May.

Three teams will be drawn on each day according to the number of starters available, e.g., three teams of 10, 11, 12 or as the case may be, on a handicap basis, each day's race to be complete in itself.

Points will be allotted, two for a start and three, two and one for places.

It may happen that the number of starters will not be divisible by three, which will mean that there may be up to two entrants not getting into a team.

Those who are balloted out and do not get a start will be given the starter's two points and a further point, three in all.

A swimmer balloted out in one race will get a start in the next race; he cannot be ballotted out of successive races.

The Centenary Competition will be decided on a points basis with trophies valued at £14, £10, £8, £7, £6 and £5 going to the six members scoring most points, respectively.

Points scored in this competition will also count in the season's competition for the "Native Son" trophies.

Big Handball Tourney

THE Centenary Handball competition is the big event this year, and all members are asked to cooperate by playing their matches quickly so that games, up to the semifinals, will be completed by the last week in April.

The "semi's" and finals will be played the first week in May.

Any matches not completed will be cancelled by the Handball committee, and the members ready to co-operate will be given forfeits.

By the way, there is a special prize-list for this event. First prize is valued at £15; second prize £10; third prize £5; fourth prize £5.

These prizes have been donated by Tattersall's Club, and should be very keenly sought.

Remember . . . it will be another 100 vears before you can win our second Centenary event.

The draw is on the boards on the third floor. Already some matches have been completed.

The event opened in sensational manner. Eddie Davis, who was fancied in certain quarters to win the prize, was defeated in the first round by Eric Thomson, 41-31. Eddie played really well, but Eric played like he has never played before.

Eddie tried everything, but on the day Eric was too good.

Not content with this win, Eric opposed Keith Longworth in his second match and here again he was successful, winning

Eric looked set for an easy win when leading 39-33. Keith, however, had other ideas, and drew up to 37-39.

Then the strain was too great, and Eric won 41-37. It was a grand match.

SEGENHOE TROPHY

The draw for the Segenhoe Trophy is

as follows:

Top Half
E. E. Davis v. Ron Spencer; Jim Comans v. V. Thicknesse; Trevor Barrell v. Clifford Shaffran; Neil Barrell v. Tom Abernethy; Peter Williams v. Bill Hannan; Ken Francis v. Peter Williams; Clarrie Woodfield v. Gordon Boulton; John Shaffran v. Leigh Bowes; George McGilvray v. Bob Adam.

Lower Half

Lower Half Andy McGill v. Col Bowes; M. Sellen v. Bruce Chiene; Bruce Partridge v. Keith Longworth; John Dexter v. John Brice; J. Page v. Zade Lazarus; Col Chatterton v. Cuth Godhard; Bill Kirwan v. Geoff Laforest; Les Bear v. Sid Kay; R. Lipman v. Carl Phillips; Ralph Davies v. T. McKeon; Fred Daly v. N. Grayson; W. B. Phillips v. Geoff Eastment; Eric Thomson v. J. Maloney.

N. B. Wallis a bye.

Already several games have been completed, the results being:-

Eddie Davis 41 d. Ron Spencer 39; Trevor Barrell 41 d. Clif. Shaffran 34; Clarrie Woodfield 41 d. Gordon Boulton 39; John Shaffran 41 d. Leigh Bowes 31; Viv Thicknesse 41 d. Jim Comans 37; Bruce Partridge 41 d. Keith Longworth 39; Ralph Davies 41 d. T. McKeon 21.

As you can see by the scores, most of the matches have been very evenly contested.

Eddie Davis had a very tough match with Ron Spencer, winning 41-39.

Bruce Partridge had a mammoth battle with Keith Longworth to win 41-39. Clarrie Woodfield was "flat-out"

feating Gordon Boulton 41-39, and Viv Thicknesse had to produce his very best to defeat Jim Comans 41-37.

With any luck at all, the result could have favoured the losers in all these matches.

The greatest upset was John Shaffran defeating Leigh Bowes 41-31.

Leigh is favoured to win this event, but that did not mean a thing to John.

He was on his game, and Leigh could not handle him at all.

Incidentally, John Shaffran celebrated his 25th wedding anniversary last month.

The event was celebrated by the family in the Club's dining-room in suitable fashion, so it is congratulations all-round to John and Leah.

Always a "Favorite"

There's no doubt Otis Escalators have an enthusiastic following-particularly on race days. In other countries the public long ago realised they make a day of leisure more enjoyable, and prominent courses all over the world now feature many Otis Escalators. Why? Because they improved attendances, they moved people faster, easier without causing traffic jams and indirectly increased takings. What Otis Escalators have done overseas they can do here.

The Otis Escalator can meet the need for increased activity wherever it is installed.
It is continually in use and always coaxes people to go where you want them to go. You'll have more people on the course with Otis Escalators in use.

Thoroughbred Line

All thoroughbred bloodlines can be traced back to three sires.

The three horses are Darley's Arabian, Godolphin Arabian, and Byerley's Turk.

These stallions were developed by British breeders in the 17th century, from imported "Arab" lines.
